

COVID-19: Lobby Closure Notice

At First Federal Savings Bank, the health and well-being of our customers, our staff and communities are our top priority. Given the evolving concerns around COVID-19 (Novel Coronavirus) and to help support community health management efforts, we are temporarily suspending lobby access at all of our branches.

This change will go into effect Monday, November 23rd through Saturday, December 12th, or until further notice. We plan to resume full branch access at the earliest possible time in which conditions are deemed safe to do so.

As always, our drive ups and ATMs are open to serve all of your banking needs, along with 24/7 access to Online Banking and Mobile Banking.

For additional information about COVID-19, visit the Centers for Disease Control and Prevention at [cdc.gov](https://www.cdc.gov).

If you have any questions or need immediate assistance, please give us a call at **1(800)443-8780**.
