**A Lifestyle Checking Account is also offered.
This is a non-interest bearing account.**

Compounding and Annual Percentage Yield

Interest is calculated using the daily balance method based on a 365/365 day year or 366/366 day year in leap year. The Annual Percentage Yield (APY) assumes interest will remain on deposit for a full year. A withdrawal of interest will reduce earnings.

Penalty

Certificates are subject to penalties for early withdrawal of principal prior to the maturity date. The penalty on Certificates with a term of 1 year or less is 90 days of interest on the amount withdrawn. The penalty on Jumbo Certificates and Certificates with a term greater than 1 year is 180 days of interest on the amount withdrawn.

Auto-Renewable

All Certificates are auto-renewable at the interest rate in effect on the renewal date. The Jumbo CD is not auto-renewable and will cease to earn interest after maturity.

Variable Rate Accounts

The interest rate and APY may change at any time at the Bank's discretion as determined by the Investment Committee.
